

AN EXCLUSIVE INVITATION FOR ELEVATE
RESIDENTIAL CLIENTS AND SUPPORTERS

Networking lunch with CoreLogic's Tim Lawless

Join Elevate Residential for our exclusive annual Brisbane Property Market Update featuring esteemed market analyst Tim Lawless, Research Director at CoreLogic.

Discover the latest insights into Brisbane's property landscape directly from one of the nation's leading experts. Gain invaluable knowledge on current market trends and future projections. Plus, you'll have the opportunity to ask Tim questions about where Brisbane's property is headed.

We hope you can join us at this invitation-only event, proudly presented by Elevate Residential.

Spaces are limited, so RSVP promptly to secure your attendance.

ABOUT

Tim Lawless

Tim is executive research director of CoreLogic's Asia-Pacific research division, managing a team of economic and data specialists across Australia and New Zealand. He brings more than 20 years' experience to the role, providing deep insights and analysis on national housing trends.

Recognised as a leading authority on residential property, Tim regularly provides expert commentary on real estate market conditions and the interplay between housing markets, demographic trends and economic factors.

As one of Australia's most popular property market analysts and commentators, Tim's expertise is frequently sought by a diverse array of audiences from government bodies and policy makers through national and international corporate entities across the property, banking and financial sectors, insurance, valuations and consumers.

Tim's research is regularly featured in Australian and global media and he is a popular keynote speaker.
